Fabrics

At SportEmotion, we understand the importance of a leotard that is not only beautiful but also perfectly complements the gymnast's movements and performance. That's why we work with carefully selected fabrics that guarantee comfort, durability, and a radiant appearance.

Mystique: Mystique is the fabric for those who want to shine on the floor. This shiny, light-reflecting fabric gives leotards a luxurious and eye-catching look. Thanks to its firm yet stretchy structure, Mystique stays perfectly in place during every jump, turn, or landing.

Lycra: Lycra is a classic favorite among gymnasts. This smooth, matte fabric feels soft against the skin and moves effortlessly with you. Its breathable and lightweight properties make Lycra particularly suitable for intensive training and create a cool look for competition leotards.

Mesh: Mesh is a fine, semi-sheer fabric primarily used as a stylish accent. It gives any leotard an elegant touch while also providing extra ventilation in strategic areas. Mesh is often combined with Mystique or Lycra for an extra refined look. When using mesh on the torso, we recommend lining it.

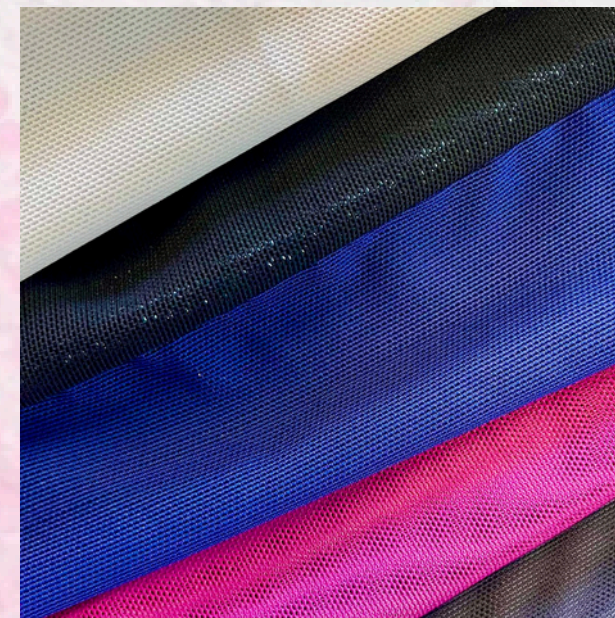

Velvet: Velvet is a soft fabric with a luxurious feel. This fabric feels pleasant against the skin and gives leotards a classic, elegant look. Thanks to its exceptional stretch and breathability, velvet is not only stylish but also comfortable to move in.

Rhinestones

A leotard is only truly complete with the right amount of sparkle. With rhinestones, you can give any design a luxurious, eye-catching look that perfectly complements your club's image. Whether you choose subtle and stylish or a full-on glamorous look: the possibilities are endless.

At SportEmotion, you can choose from a wide range of rhinestones in various colors, sizes, and patterns. Think of:

- Crystal-clear stones – timeless and elegant
- Colored stones – perfect for added depth or club colors
- Large accents or fine lines – placed entirely to your liking
- High-quality – strong adhesive and long-lasting brilliance

From a subtle line on the chest to a completely sparkling front: we'll help you create a design that's both technically and visually balanced.

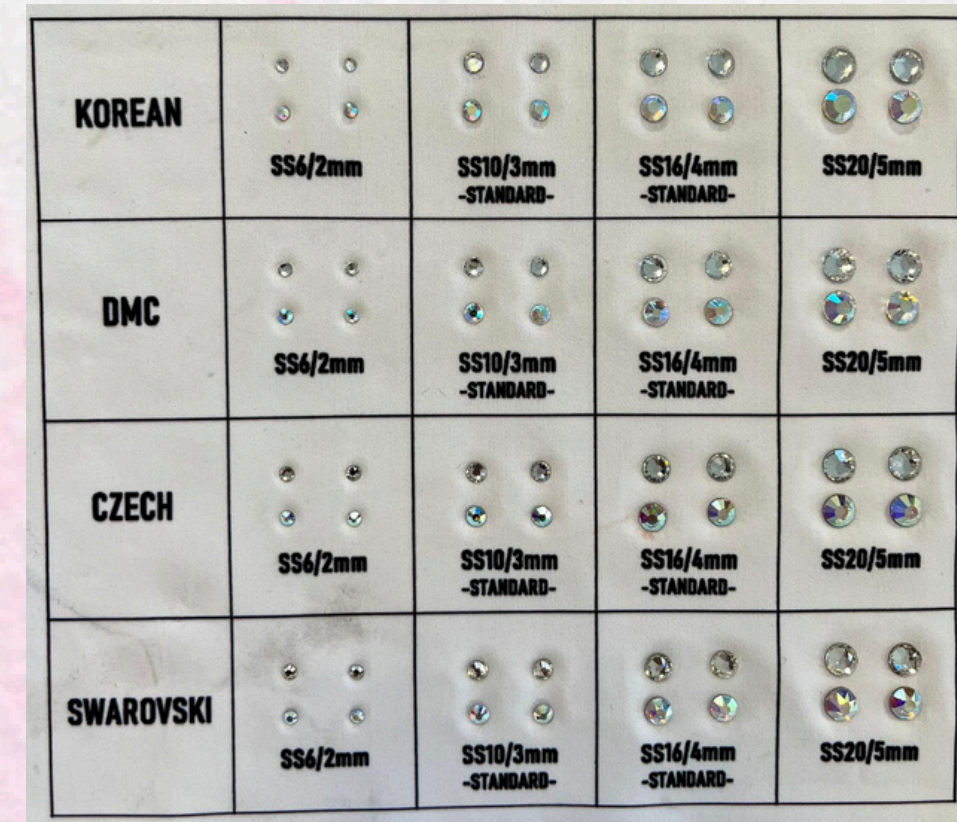

Be inspired by the possibilities and give your outfit that sparkling final touch!
